Bars @ Puerto Madero

QPL 2024

We will arrive at “Sturla Viajes” in Puerto Madero around 6:30 pm. Puerto Madero is one of the most modern and exclusive neighbourhoods in Buenos Aires, with a wide variety of bars and pubs. The excursion ends here, and you can stay in the area to have dinner or return to the hotel.

In the map, you can see some of the bars and pubs in the area. Those who do not participate in the excursion can join us for a drink.
